

Activity A.T3.3 Project capitalisation through Danube Ports Network

Supported by:

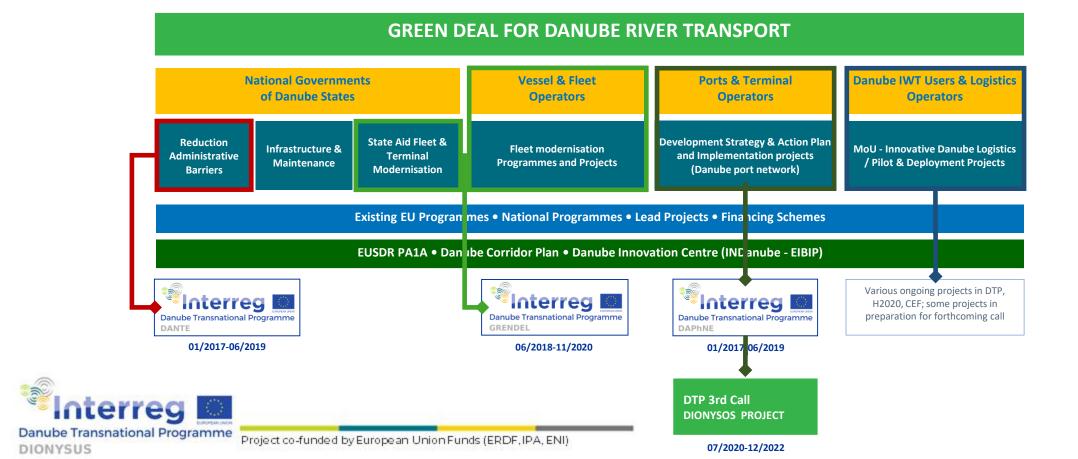

Danube Ports Day 2020 – Closing remarks Robert Rafael, Pro Danube Management

GREEN DEAL: Policy initiative based on cooperation & commitment

In 2017, PDI successfully started the implementation of the Green Deal by means of **DANTE**, **DAPhNE** transnational projects and has taken serious actions towards the modernization of the Danube fleet in the framework of the **GRENDEL** approach and port development within **DIONYSUS** project.

Capitalisation of the results – NOW

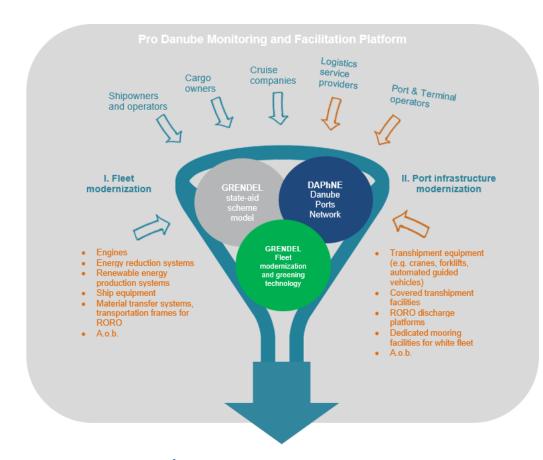

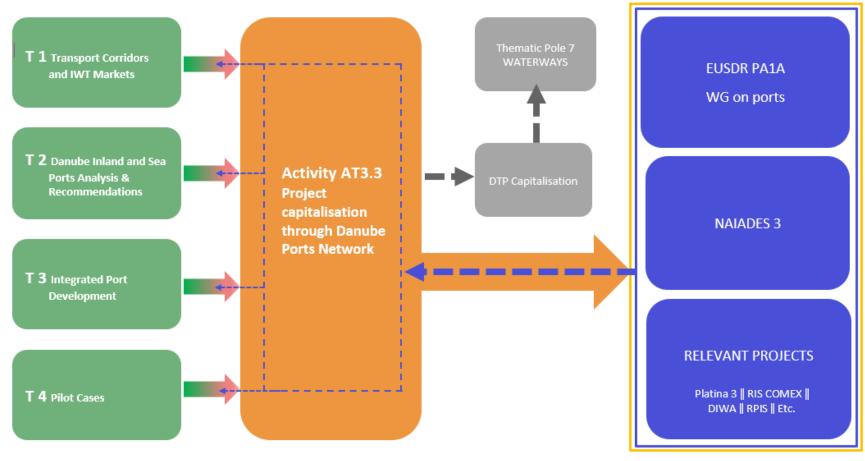

LET'S MOVE DANUBE WATERBORNE TRANSPORT FURTHER TOGETHER!

Know-how creation and transfer ensured by DPN
